Dear HR Personnel,

APPLICATION TO WORK IN YOUR ORGANIZATION

Thank you for the opportunity to apply for this role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a hardworking fresh graduate in the field of mechatronics engineering, from Afe Babalola University. During the course of my academic career and also before my academic journey, I acquired 6 years of work experience, in which gave me the privilege of working for Softcity Group, Educare Technology, Rewjido Nigeria Plc, Global Multilink Technology, Zhoton Technology, Seebat Enterprise as a Software developer, Phone and Electronics intern role each, where I learned valuable professional skills which include and are not limited to the following;

- Front-end Web Development with CSS, HTML, JavaScript with React and React Native, Graphic designing using the complete Adobe Suite, 3D Designing and animation with blender, Game Development with Unity.
- Hardware Engineering, designing circuits with various electronics/electrical software simulators(Fritzing) and then building this circuits using the required electrical component with the right ratings and calculations
- CAD Draftsman using SolidWorks for both mechanical and electrical designs for manufacturing and production
- Microcontroller programming with Arduino Microcontroller, In the fulfilment of my Bachelor degree in Mechatronics Engineering, I built an autonomous interior wall painting robot; for painting walls of buildings.
- Robotics Operating System Development, where I developed an autonomous mobile robot using Gazebo, Robot Visualization (Rviz), Linux OS for Mapping, localization, Path planning and Robot Navigation.

In both my academic and professional life, I have been consistently acknowledged as been a team player and hardworking by my professors, peers and superiors in job, whether working on academic, extracurricular, or professional projects, I apply proven analytical, problem solving and creative thinking skills, which I hope to leverage into your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborate on how my specific skills and abilities will benefit your organization. Please contact me at 08106875987 or via email at tegagreataminode@gmail.com.

Thank you for your consideration, and I look forward to hearing from you soon.

Yours sincerely,

Oghenetega Great Aminode
